PRESTATYN

BIG BLUES Festival

THE JACKSON-HOLLER BAND

Inspired by the sounds of Muddy Waters, Albert King & Howlin' Wolf, the Jackson-Holler Band are a cool paced electric Chicago style blues band with a New Orleans funk twist. The Jackson-Holler Band is fronted by singer and guitarist Earl Jackson and featuring special guest soul and blues diva Ingrid Dunkley. A super-tight band with a great groove!

ALEX MCKOWN BAND

13 year old guitarist and singer Alex McKown has 'been around' despite his tender years, having made several Festival appearances and guesting with Hamilton Loomis, among others...

JAM SESSIONS

Make sure you bring your instruments along to join in the legendary Boogaloo late night jam sessions hosted by singer, guitarist and blues harp player Tim Aves and ably abetted by the award-winning rhythm section of Rob Barry and Paul Lester. Fun, fun, fun!

CHRIS POWERS

Blues aficionado and 'character' Chris Powers is MC for the weekend, selecting tasty tracks from his eclectic vinyl blues collection.
