## Wolfpack

## WOLFPACK

A powerful new band, formed by former Rockin' Armadillos frontman, **Tim Aves**, with former Armadillos bandmates, **Rob Barry** (bass) and **Paul Lester** (drums) together with the hottest young guitar talent on the British blues scene today, **Joel Fisk**. The music of Howlin' Wolf and other blues greats, given a 21st-century twist!

Our acoustic blues sessions are a popular feature of the blues weekends. This year's event is extra special in that we will be including a gospel set from **Angela Brown** as well as the mandolin/guitar and harmonica duo with **Tommy Allen** and **Johnny Hewitt**. Unmissable!
