THE KINGCATS WITH SPECIAL GUEST ABBIE MARIE

The Kingcats know how to keep a dance floor filled - in fact the only complaint might be from the dancers wanting a break! No wonder these guys have a reputation as one of the hottest rock and roll bands around.

ABBIE MARIE

One of the youngest female vocalists on the rock 'n' roll scene, with a great voice! *'It has taken us 50 years, but we seem, at last, to have come up with the British answer to Brenda Lee.'* UK Rock Magazine

JOEY & THE JIVERS

Joey & The Jivers deliver a dynamic set of red-hot 50's and 60's rock & roll. Band leader Joe has captivated audiences up and down the country with his electrifying piano playing and all-rocking vocals.

THE SUNSETTERS

The Sunsetters style is an authentic four piece sun sound that compliments the incredible vocal talents of **Frank Ryan**. The Sunsetters have made a name for themselves on the circuit based on their tight musicianship and high energy performances. A wow!

GREGGI G & HIS CRAZY GANG

Greggi G & His Crazy Gang play classic rock and roll from the late 40's to the early 60's, with a drive and enthusiasm that never fails to have people rocking in the aisles. This is a band full of power and energy, with rocking piano, growling guitar, slapping bass and cracking snare that gets everyone going 'crazy man crazy'.

THE ROCKIN' ALL STARS

An exciting new band, with **Earl Jackson** on guitar/vocals, **Greggi G** on double bass and vocals, the fabulous **Henri Herbert** on piano and drummer extraordinaire **Sam Kelly**. The Rockin' All Stars will deliver an all-rocking set guaranteed to keep the dance floor full!

LONESOME VALLEY BOYS

From the Isle of Wight, the **Lonesome Valley Boys** are a rockin' 5-piece who deliver highly danceable stories about girls 'n cars, railroads 'n bars with twin vocals, lead & rhythm guitar, slap bass, stand up drums and lap steel/squeeze box. A sure-fire recipe to keep you moving and a grooving...
