BLUES Weekend

BAD INFLUENCE

Powerful singer **Val Cowell** and ace guitarist **Richard Hayes** lead the band through an intoxicating cocktail of blues/rock, with a super tight rhythm section including superb bass player **Pete Stroud**. Val is without doubt one of the finest female singers on the European blues scene as well as being a great rhythm guitarist. A stunning band!

LEAVING TRUNK

Fronted by singer and guitarist **Tim Aves**, two things unite the music of **Leavin' Trunk**: a powerful, funky groove, infused with a scintilla of New Orleans gumbo; and some great tunes - band originals and re-interpretations of classics from various obscure corners of the blues and soul catalogue. We defy you NOT to dance to this band!

GUY TORTORA BAND

Californian **Guy Tortora** is a master of acoustic and electric guitars, as well as an accomplished singer, songwriter, arranger and blues harp player. Together with his excellent band, Guy plays self-penned numbers and classy interpretations of blues classics.

"Excellent songwriting. Subtle, beautiful... and lovely slide guitar!" Paul Jones

FRIDAY 3RD OCTOBER TO MONDAY 6TH OCTOBER 2025

THE MUSTANGS

The Mustangs are led by the stunning voice and dynamic guitar playing of livewire frontman **Adam Norsworthy**. Regarded as a breath of fresh air on the UK blues scene, the London-based four-piece combines the power and punch of traditional R'n'B with great original songs and a show-stopping stage set. They have forged a formidable reputation as one of the hardest-working and most charismatic bands in British blues.

ADAM SWEET BAND

Adam Sweet is a stunning guitarist and singer/songwriter with an equally stunning band. His current lineup features top musicians **Garry Kroll** on drums, **Paddy Blight** on bass, and **Thomas Hughes** on Hammond organ. Introducing Stage winner at The Great British Rock & Blues Festival.

UNCALLED FOUR

Fronted by **Phil Selby** (ex Keno Kings), The **Uncalled Four** play old-school rhythm & blues with a twist of blues, a twang of country and a trace of Americana. A few original tunes jostle side by side with classics from BB King, Ry Cooder, Delbert McClinton, the Rolling Stones and many more.
